### **TECHNOLOGY SESSION – REALTIME • (Carolina B)**

#### **Sponsored by ProCAT**

(1.5 NVRA CEs | .15 NCRA CEUs | 1.5 TX credits pending)

*Cathy Logan*

Please join Cathy Logan to learn how to send your realtime to your client's iPad or netbook. Also, we will discuss how to send your realtime to a scopist or typist during a realtime session. This is the time to learn how to save time from the arduous task of spending hours editing at night. If time permits, you will see what ProCAT's WinnerVR can do for you.

11:00 a.m. -  
12:30 p.m.

### **PROFESSIONALISM & ETHICS • (Carolina B)**

(1.5 NVRA CEs | .15 NCRA CEUs | 1.5 TX credits pending)

*Aquaria Smith & Jennifer C. Thomas*

Professionalism and Ethics – the Code of Conduct that governs us all. As technology and social media changes the landscape of the court reporting profession, it is vital for court reporters to remain committed to the golden rule – impartial to the court record.

12:30 p.m. -  
1:45 p.m.

### **LUNCH ON YOUR OWN**

1:45 p.m. -  
3:15 p.m.

*Annette Myers, CVR-CM-M*

With the constant reminders from the media to reduce your carbon footprint, individuals and businesses are finding ways to become environmentally friendly. From recycling to buying local produce, we are gradually adopting eco-friendly habits at work and at home. Learn some simple facts that will help you live and work greener. We'll even discuss some "end-of-life" arrangements that can create a meaningful send-off – not to mention a lower-impact one. After all, if you gotta go, why not go green?
