**"The Standard," the Winter Newsletter for Commission on Status of Minorities Winter 2016 -2017**

This article details information on the second installment of "NewsVision" to WHUT TV. This student-produced broadcast was sponsored by NBC Universal (\$4800) and was broadcast twice in December 2016.

The article was disseminated in the Winter edition of the Newsletter, which was shared with a membership of more than 3,700 educators and professionals globally. The Commission is affiliated with the Association for Education in Journalism and Mass Communication AEJMC.

According to its website, the Commission on the Status of Minorities "Investigates and proposes ways to achieve racial and cultural diversity in journalism/communication programs and curriculum."
