Hello Prof.Thomas,

[On Thursday, October 5th at 7:08 pm Alpha Kappa Alpha Sorority, Incorporated, Alpha Chapter is having an event entitled "The Weekend".](#)

This will be an all-female panel in which we are discussing having a full-time career and managing stress. I would love to have you on the panel to discuss this topic because you manage to do this so effortlessly.

If you are available, please let me know as soon as possible so we can talk in more detail.

Best,
