Dear Colleagues --

FYI... Please see below the schedule for [our Friday presentations](#) of the NFBPA on our campus.

Please remember that we will meet in WHUT-TV. When you come to the lobby, your name will be there. In Studio C where our session will be held, there will be a laptop (MAC), monitor for projecting, speakers, and Internet connection. Feel free to bring a flash drive for any PP or other things you want to project. Here's the schedule:
