Hi Candy,

The Midterm Election team has discussed holding a boot camp on next Monday, Nov 3 to review some of the needed basics with broadcast students.

We would like to request that Henry help out by reviewing the camera setup up, and Prof. Miles will do the audio.

Might Henry be made available to assist us from 1-2pm next Monday? I think Prof. Miles is planning to have this in room 307 (or nearby) -Prof. Miles please confirm.

After we confirm, we can notify the students.

Thanks!

Jennifer
