Hello Ms. Thomas!

It was great meeting with you last Thursday; I really enjoyed your Miss Howard University presentation. [As promised, here is the information for my etiquette dinner that I am planning on hosting Wednesday, February 15.](#)

If you have a day in mind where my co-host, Brandon, and I can meet with you to go over topics that will be taught in the class, please let me know. We're both pretty flexible. We'd like to finalize the plans by the 1st if possible.

Thank you again for helping with this event!

Warmest regards,

Victoria Grimes
