Evidence of Participation of Professional Development

Participant: Black Twitter Conference | National Association of Black Journalists |
February 2016

Participant

The Black Twitter Conference at Columbia University in NYC, sponsored by the National Association of Black Journalists- Gave unique insight into how journalists can effectively use social media to be more effective storytellers. Other topics such as #OscarsSoWhite and the origins of Black Twitter were discussed in a forum comprised of academicians, journalists, social media experts, and students.
