Comments:

This is by far my most challenging class; however, I learned more in this class than I have in any other class in my major. hard class

THIS CLASS WAS CHALLENGING, BUT WAS WELL WORTH IT.

this class was very insightful

Although the class was very informative and necessary, it was very fast paced, and the professor was not always understanding of students other classes and priorities.

Professor Thomas is by far the best teacher in the School of C!

Prof. Thomas has proven over and over that she is an exceptional professor. She is tough when needed and understanding. She has certain taught by her motto and the motto of the school "excellence without excuses."
